Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: *My particula prescription is very
difficult to find. Thank goodness Madison
Pharmacy has the prescription & in the form
I need. Hormone imbalance is quite a
distress. Compounded natural hormones alleviate
the depression & anxiety I had. My marriage
was in jeopardy as well. I strongly
oppose the draft M.O.U.*
